CALIFORNIA PROPOSITION 65 STATEMENT

Dear Valued Customer:

Agri-Fab, Inc. is compliant with the State of California's Safe Drinking and Toxic Enforcement Act of 1986 ("Proposition 65").

Agri-Fab, Inc. sells a select number of products that utilize internal combustion engines manufactured by a third-party. The engine manufacturer applies the appropriate Proposition 65 warning labels directly to the engines before they are shipped to Agri-Fab.

All other Agri-Fab, Inc. products, when used in a reasonably anticipated manner, are not likely to cause significant exposure to the chemicals contained in the current Proposition 65 chemical list. However, in order to better protect its customers, Agri-Fab, Inc. has opted to label all of its product cartons with the following safe-harbor language:

 **WARNING: Cancer and Reproductive Harm-**
www.P65Warnings.ca.gov

Agri-Fab, Inc. will continue to monitor the Proposition 65 regulations for any new chemicals and will update this statement and its warnings accordingly.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nick Foor'.

Nick Foor
