BESSEY® Bar Clamps

Clutch Style Bar Clamps

Single Head, Clutch Style Bar Clamps

The Clutch-Style Clamp is a popular regular-duty clamp used by cabinet makers, woodworkers, metal workers and homecrafters across North America. This easy-to-use clamp suitable for "close quarters" clamping.

Features

- Powder coated, ductile cast iron jaws
- Nickel plated, serrated rail
- 2 piece clutch plates
- Non-marring pads on the top and bottom jaws
- Ergonomically shaped wood handle

Catalog Number	Nominal Throat Depth	Nominal Opening	Load Limit
