

DAX

CLAMSHELL CASE

FEATURES:

- **Durable Molded Dome** - Engineered with a robust molded EVA foam, this case provides exceptional protection for your hard hat, ensuring it remains safeguarded against impacts and environmental elements.
- **Rugged 400D Nylon Molded Exterior** - Constructed from heavy-duty 400D nylon, which is compression molded for enhanced durability and resistance to wear and tear.
- **Anti-Scratch Interior** - The interior features a soft, anti-scratch lining that prevents damage to your hard hat, keeping it in pristine condition and ready for use whenever you need it.
- **Heavy-Duty Zipper Pulls** - Equipped with sturdy, heavy-duty zipper pulls, this case offers easy access and secure closure.
- **Perfect Fit Design** - Specifically crafted to accommodate both DAX Cap and Full Brim Hard Hat styles, this case offers a secure fit for these models. It may also fit other hard hats; however, compatibility with all brands and styles cannot be guaranteed.
