A Closer Look at the Features:

Vanguard Engines

Time proven dependability.

Stainless Steel Combustion Chamber

Maintenance free, durable protection.

Stainless Steel Nozzles

Panel mounted to be handy and accessible.

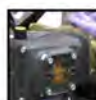

Adjustable Temp. Control

For your precise temp. control.

Poly Fuel Tank

Prevents corrosion saving costly replacement.

Pressure Relief Valve

Prevents injury and cost due to an over-pressurized system.

High Efficiency Burner

Conserves fuel & your dollars.

Durable Powder Coated Heavy Duty Frame Components
Prevents frustration due to loose bolts & rusty wear points.

Exclusive Coil Design

Heats water quicker & more efficiently.

Industrial Strength Triplex Pump

Built strong to handle the roughest demands.

Flat Free Tires w/Mag Wheels

Save time & money by never changing a flat again!

Note:
12v Battery required but not included.
(U1R lawn tractor battery type)
