

Multi-Pro™

Tent Stake Driver

Pneumatic • Hydraulic • Gasoline
Professional Grade Tools

For Professional Tent Installers

The Multi-Pro™ Tent Stake Driver has ergonomic features that allow the user to start the post driver with the standard side throttle, but then finish driving with the post driver holding the additional top throttle.

Includes the following features:

- Comes with Rhino® Tent Stake Chuck installed.
- Top Throttle installed for easier tent stake driving with less bending for the installer.
- Service Kit for general maintenance
- Equipped with Rhino's CIS™ Vibration Dampening.
- Padded grip for handling comfort.
- Removable bottom handle.
- Made in the U.S.A.
