Acme Tools Releases 2011 Buyers Guide

GRAND FORKS, N.D. – May 16, 2011 – Acme Tools, a major tool distributor and premier retailer of tools and equipment, today announced the release of its new 2011 Buyers Guide. The new Acme Tools Buyers Guide features 600-pages of products representing a comprehensive selection of tools and equipment from the industry's leading manufacturers.

The new Buyers Guide is designed to save contractors, woodworkers and do-it-yourselfers time and money by serving as an all-inclusive source for products available from Acme Tools. The Buyers Guide is available at all Acme Tools retail stores and online at www.acmetools.com/buyersguide.

Acme Tools has more than 60 years of experience as a major industrial tool distributor and today is one of the premier retailers of tools and equipment with some of the largest showrooms in the country. The company stocks over 174,000 products from 3,100 manufacturers and is a recognized leader bringing new products to the market.

Acme Tools retail stores are located in Grand Forks, Bismarck, Fargo and Minot, North Dakota, Bemidji, Duluth and Minneapolis, Minnesota, and Cedar Rapids and Des Moines, Iowa.

Acme Tools launched its new retail website – www.acmetools.com – last year and is a leading online retailer of tools and equipment with more than 12,000 products from more than 200 manufacturers available online. Acme Tools is an authorized online retailer for DeWalt, Milwaukee, Bosch, Makita, Delta, Jet, Porter Cable, Toro, Stanley and other leading manufacturers.

Acme Tools serves the building, remodeling, woodworking and landscaping needs of contractors, woodworkers and do-it-yourselfers.
